Diversity of living and non-living things

P3 · Diversity

1. Which characteristic is shown when a plant bends towards light? [2]

A. Response to a stimulus

B. Gravity

C. Evaporation

D. A complete circuit

2. Which characteristic is shown when a plant bends towards light? Explain your answer clearly. [2]

3. Which characteristic is shown when a plant bends towards light? Explain your answer clearly. [4]

4. Which characteristic is shown when a plant bends towards light? [2]

A. Response to a stimulus

B. Gravity

C. Evaporation

D. A complete circuit

5. Which characteristic is shown when a plant bends towards light? Explain your answer clearly. [2]

6. Which characteristic is shown when a plant bends towards light? Explain your answer clearly. [4]

7. Which characteristic is shown when a plant bends towards light? [2]

A. Response to a stimulus

B. Gravity

C. Evaporation

D. A complete circuit

8. Which characteristic is shown when a plant bends towards light? Explain your answer clearly. [2]

Answer Key

Q	Section	Answer	Guidance
1	Diversity of living and non-living things	A	Living things need air, water and food and can respond to changes.
2	Diversity of living and non-living things	Response to a stimulus	Living things need air, water and food and can respond to changes.
3	Diversity of living and non-living things	Response to a stimulus	Living things need air, water and food and can respond to changes.
4	Diversity of living and non-living things	A	Living things need air, water and food and can respond to changes.
5	Diversity of living and non-living things	Response to a stimulus	Living things need air, water and food and can respond to changes.
6	Diversity of living and non-living things	Response to a stimulus	Living things need air, water and food and can respond to changes.
7	Diversity of living and non-living things	A	Living things need air, water and food and can respond to changes.

Q	Section	Answer	Guidance
8	Diversity of living and non-living things	Response to a stimulus	Living things need air, water and food and can respond to changes.
